Summary

Aspiring **Game Designer and Gameplay Developer** building 2D games in **Godot (GDScript)** with additional experience in **digital painting and ZBrush sculpting**. Interested in rapid prototyping, gameplay mechanics, level design, and transforming ideas into playable experiences.

Selected Game Projects

- Farm Tale** — Top-down cozy farming RPG (Godot, GDScript) (<https://github.com/Arhain95/farm-tale>) 2026
- Built core gameplay loop including farming mechanics and NPC interactions.
- Onigiri** — 2D game prototype (<https://arhain95.github.io/onigiri-preview/>) 2026
- Project for the Breda University of Applied Sciences (BUas) admission.
 - Playable prototype showcasing gameplay mechanics and interaction design.
- Dodge Dodge** — 2D survival arcade game (<https://arhain95.github.io/dodge-dodge/>) 2025
- Implemented fast-paced enemy dodging gameplay with progressive difficulty.
- The Greedy Knight** — 2D platformer (<https://arhain95.github.io/the-greedy-knight/>) 2025
- Designed levels focused on coin collection and enemy avoidance.
- Eat Them All!** — Snake-style arcade game (<https://arhain95.github.io/eat-them-all/>) 2025
- Classic snake mechanics where difficulty scales with player growth.

Skills

Gameplay / Tech: Godot, GDScript, gameplay scripting, prototyping, input/state systems

Game Design: core loops, level design, difficulty progression, playtesting

Art: digital painting (Procreate), 2D assets, ZBrush sculpting (characters/props)

Engines: Godot (primary), familiarity with Unity and Unreal Engine

Game Art & Development Training

- National Game Design Institute — National Foundation of Video Games** 2024
- Art Fundamentals of Game Development** — concept art, character design, environment design, UI basics
 - Digital Sculpting with ZBrush** — sculpting workflow, mesh editing, character and prop creation, rendering
 - Digital Painting** — illustration fundamentals, perspective, lighting, color, composition

Education

- MSc Linguistics — Shahid Beheshti University (dropped out after 1 year)** 2021 – 2022
- BA English Language & Literature — Payame Noor University** 2013 – 2017
- Diploma — Experimental Sciences, Somaye High School** 2009 – 2013

Experience

- Private English Tutor** 2024 – Present
- Provide personalized English lessons; build communication and feedback skills.
- English Teacher — Iran Language Institute** 2020 – 2025
- Taught English to children using structured programs and interactive activities.
- English Teacher — Language School (Bojnord)** 2015 – 2018
- Designed engaging exercises and managed classroom learning environments.
